Graham Hinett
CEO, FENSA

Graham Hinett, CEO, FENSA, said, 'Many of the G08 awards winners are FENSA registered. This highlights how although FENSA registered businesses are required to carry out replacement installations to the requirements of the Building Regulations, many install above and beyond these requirements. FENSA would like to thank Tony Higgins for organising this prestigious event, and extends its congratulations to all the FENSA registered businesses who were either nominated or won the awards.'

Next year, FENSA will as usual, sponsor the annual glass awards alongside other key influencers and shapers in industry. To keep in touch with this important event, please go to www.g-awards.com.
